About us:

T & N Concrete (NSW) is a successful established concreting company, with over 25 years experience in concreting for all commercial, residential and industrial applications.

Our dedication to quality has built a reputation for excellence within the residential concrete construction. We have a broad and loyal client base.

Our services include but do not limit us to concreting works to architect-designed homes, major works, subdivisions, detailed concrete works, slabs on ground, waffle pod or conventional slabs, industrial factories, commercial buildings, driveways/access ways, crossovers & footpaths.

Our concrete construction services include piers, footings – either for foundations, fencing or retaining walls, slabs – raft or waffle pod

Our Strategy:

We are client focused, operating with total dedication to integrity, openness and honesty. We provide our customers with a service that meets and exceeds their expectations.

We will provide the solutions necessary to produce quality work. If jobs require, we will coordinate all inspections with Council inspectors, Water Board and Engineers, as well as work with drainers and other services.

We fully embrace and is committed to the health, safety and wellbeing of our workers. Our staff are fully trained, This will ensure the health, safety and welfare of our employees, and have the drive necessary to see complex projects through to completion.

With over 25 years of excellent work performance and professionalism, it has enabled us to have a working relationship with a multitude of clients. We have listed just some of our past projects;

Mirvac Homes: Spring Farm, Glenfield, Middleton Grange , Elizabeth Hills, Old Castle Hill Road, Castle Hill - townhouse /project homes. Bradfield Plaza – Kirribilli, Lombardo Development – Kirribilli

We are proud sponsors!..
We help built The Support
For Kids House which raised
much needed funds for
life-changing rehabilitation
programs at Westmead
Children's Hospital.
